

GKDP: Group Key Distribution Protocol

Lakshminath Dondeti

ldondeti@nortelnetworks.com

IETF-61, November 2004, Washington, D.C.

GDOIv2: name changed to GKDP

- Very few updates since last time
- I have a co-author, Jing Xiang also from Nortel (others, please join us!)
- We have had some discussions around other details
 - Will submit a “full-spec” in December
